Staff is seeking assistance in development of the targeted industry pages on our website and collateral materials to use in our business attraction strategy, as outlined in the recent Strategic Plan. Our current web marketing firm has provided proposed services and fees to assist with this work and development of a comprehensive website review.

A second phase of this work would involve a comprehensive website review to implement content refresh across the website and our social media, rewriting, reorganizing, or removing content as needed to improve clarity, consistency and realignment with our strategic priorities. The work provided by Golden Shovel Agency in 2022 needs to be updated.

Financial Impact:

Phase 1	\$4840.00
Content Refresh	<u>\$3392.50</u>
Total Impact	\$8232.50

Action/Recommendation:

EDC staff requests CCEDC Board approve the Phase 1 services as outlined in the proposal attached and the "Content Refresh" portion of Phase II.

Staff does not recommend doing anything with branding until after the city and EDC complete work on a branding campaign for the city, EDC and all stakeholders in the community.

Section 3. INTERFERENCE WITH ADMINISTRATION. Should the Corporation fall under the City of Copperas Cove for administrative and oversight purposes, neither the Copperas Cove Economic Development Corporation Board of Directors nor its individual members, including the Chairman, shall give any order or direction, public or private, to any officer or employee who is subject to the direction and supervision of the City Manager where the spirit and intent is to interfere with the management and administration of the City.

ARTICLE II

DIRECTORS AND OFFICERS

Section 1. BOARD OF DIRECTORS. The property and affairs of the Corporation shall be managed and controlled by the Board of Directors ("Board"), subject to the restrictions imposed by law, the Articles of Incorporation/Formation and Bylaws, and shall be composed in its entirety of five (5) persons appointed by the City of Copperas Cove City Council (the, "Unit"). The Directors and Officers shall be appointed and serve in accordance with Texas Local Government Code Chapter 504, Subchapter B.

The Directors shall serve for two (2) staggered three-year terms.

Of the five directors, four shall be appointed to serve as Officers as described in Section 4. There shall also be a Unit Liaison as described in Section 5.

Section 2. TERM OF OFFICE

A. Tenure: Directors shall serve a term of three (3) years, be reviewed by the Unit annually, and are eligible for reappointment upon approval of the Unit. To maintain the operations of the Corporation, a Director shall continue to serve in the capacity of Director until such time as their successor is appointed by the governing body and sworn in as a Director of the Corporation.

B. Vacancies: Vacancies on the Board shall be filled by the appointment of successor Directors by the Unit.

C. Absences: Regular attendance at Board meetings is required of all Directors. Should any Director miss three consecutive meetings or meetings equaling fifty percent (50%) of the regularly scheduled meetings over any twelve-month period, the Chairman shall submit to the full Board for their consideration an item concerning such Director's absences. Should the Board determine that such Director be replaced, the Chairman shall provide such recommendation, in writing, to the City Secretary for consideration by the Unit.

Section 3. BASIC ECONOMIC DEVELOPMENT COURSE (BEDC). The Executive Director of the EDC shall provide each new board member with an overview of the Corporation's economic development policies and procedures in the first 90 days of appointment. In addition, within 90 days of taking the oath of office, the Director shall complete the courses of training regarding their responsibilities as a Board Member in accordance with Chapter 551 of the Texas Government Code, the Texas Open Meetings Act and Chapter 552 of the Texas Government Code, the Public Information Act. These courses may be completed online. Proof of Certificate of Completion shall be provided to the Executive Director or appointed Staff.

Section 4. OFFICERS: Each October, at the Annual or Regular meeting of the Board, the Directors shall organize, appointing a Chairman, Vice Chairman, Treasurer and Secretary by resolution. Any Officer may be removed from such office at any time by an affirmative vote of a majority of the whole Board. If the office of any Officer becomes vacant for any reason, the vacancy in such an office shall be filled by the Board of Directors. The same person may not hold the offices of Chairman and Secretary.

A. **The Chairman** shall preside at all meetings of the Board of Directors and shall be an ex officio member of all standing committees, shall have a general supervision of the management of the business of the Corporation, and shall see that all orders and resolutions of the Board of Directors are carried into effect. Once reviewed and approved by the Unit, the Chairman may execute bonds, mortgages, and other contracts requiring a seal of the Corporation, except where required or permitted by law to be otherwise signed and executed and except where the signing and execution thereof shall be expressly delegated by the Board of Directors to some other officer or agent of the Corporation.

Commented [SS2]: Anthony: The term "annual review" by the Unit is vague
Recommendation: Clarify whether the review is advisory or tied to formal reappointment or removal. (i.e., clarify that the Unit may reappoint, replace, or take no action at the end of a director's term, and that the annual review is advisory unless otherwise specified by City ordinance or policy.)

Commented [SS3]: Anthony: No removal process exists for crimes or legal violations.

B. **The Vice-Chairman**, in the absence or disability of the Chairman, performs the duties and exercises the powers of the Chairman and shall perform such other duties as the Board of Directors shall prescribe. Additionally, the Vice-Chairman is granted the authority to sign all legal documents for the Corporation requiring the signature of Chairman should the Chairman be unavailable to complete such duties and/or responsibilities.

C. **The Treasurer** shall attend all sessions of the Board of Directors and provide a monthly report to the Board of the Corporation's budget and expenses as prepared for staff by the Corporation's accounting/bookkeeping firm. The Treasurer will report and assist staff as needed in preparation and maintenance of the operating budget, reserves, and indebtedness of the Corporation. The Treasurer will review the annual audit with staff and the Corporation's auditing firm for presentation and approval by the Board. The Treasurer will advise the board on risk assessments provided by the Corporation's Financial Advisors, including corporate investments, loans and incentives negotiated for business development and other activities as defined for Type "A" Sales Tax cities in statute. The Treasurer shall have such powers and perform such other duties as may be incident to the office and those duties assigned to the Treasurer by the Board of Directors or pursuant to these by-laws. The Treasurer shall, in the absence, unavailability, or disability of the Chairman and Vice-Chairman, perform the duties and exercises the powers of the Chairman, including the authority to sign all legal documents for the Corporation requiring the Chairman.

D. **The Secretary** shall attend all sessions of the Board of Directors and cause to be recorded accurate minutes of the proceedings in compliance with all statutes and ordinances governing the EDC as well as the bylaws and resolutions of the City Council. The Secretary shall give, or cause to be given, notice of all special meetings of the Board of Directors and shall perform other such duties as may be prescribed by the Board of Directors or the Chairman, under whose supervision the position shall be. The Secretary shall keep in safe custody the seal of the Corporation and, when authorized by the Board, affix the same to any instrument requiring it, and when so affixed, it shall be required as to instruments executed in the course of ordinary business and shall attest to the signature of the Chairman and shall affix the seal hereto.

Section 5. UNIT LIASON

A. Any Unit liaison or designee may attend all meetings of the Board of Directors, including executive, private or public. These representatives shall not have the power to vote in the meetings they attend. Their attendance shall be for the purpose of ensuring the flow of information occurs to assist project movement. The Board reserves the right to exclude any person from Executive Session if it is deemed to be in the best interest of the Corporation to do so.

ARTICLE III

Section 1. ANNUAL MEETING

The annual meeting of the Corporation shall be held during the Regular October Meeting at the Corporate offices Board Room or publicly accessible location in the City of Copperas Cove. All other meetings may be held at the place selected within the corporate limits of the City of Copperas Cove, Texas.

Commented [SS4]: Anthony: The Treasurer serving as Acting Chair is unusual but acceptable if intentional. Suppose the CCEDC Board has already made a deliberate, recorded decision to structure the Treasurer as the default Acting Chair when both the Chairman and Vice-Chairman are unavailable. In that case, that is entirely within our authority, provided the Board adopted this structure knowingly and formally, either when the Bylaws were drafted or through a separate vote that amended or confirmed this process. I noted that it is already articulated in Article II, Section 4(C), so it is most likely that I was not yet a member of the Board, and therefore, I did not witness this in person. Please kindly confirm.
Recommendation: Consider adding a provision allowing the Board to elect an Acting Chair if needed. If this structure is deliberate, no change is required, but we should at least consider adding a fallback provision for the Board to elect an Acting Chair in unique situations.

Every Annual, Regular, or Special Meeting of the Board of Directors shall be open to the public, except as otherwise permitted by the Constitution of the State of Texas or by the Open Meetings Act, Texas Government Code Chapter 551.

Section 2. MEETINGS

A. Regular Meetings

Regular Meetings shall be held monthly on the fourth Wednesday beginning at 12 pm at the Unit's Technology Building, 508 S 2nd St, Copperas Cove ~~or other locations~~ within the City of Copperas Cove ~~that are~~ deemed accessible to the public ~~and with have the~~ ability to record the meeting. All Regular Meetings of the Board shall be recorded. All meetings of the Board shall be held in accordance with the Texas Open Meetings Act. All meeting notices shall be placed on the Official Notice location for the Copperas Cove Economic Development Corporation ~~with a copy to be placed Official Bulletin Board of the Copperas Cove EDC~~, located at 207 South 3rd Street, Suite 200, Copperas Cove, Texas, as well as on the City's community bulletin board, located at City Hall, 914 S. Main Street, Copperas Cove, Texas. All meeting agendas shall adhere to the agenda format utilized by the Unit for its meetings. All meeting minutes of the Board shall be posted on the Corporation's ~~and City's~~ website upon approval by the Board.

Commented [SS5]: Should we include language to comply with HB2520 that go into effect on September 1, 2025?

B. Special Meetings

Special meetings of the Board may be called by the Chairman on three days' notice to each Director, either personally, by regular mail or by electronic mail. Special meetings may also be called by the Chairman in a like manner at the written request of two Directors.

Section 3. QUORUM

At all meetings of the Board of Directors a majority of the entire membership of the Board shall constitute a quorum for the transaction of business. Unless otherwise provided in these Bylaws or in the Articles of Incorporation/Formation or as required by law, the act of a simple majority of the Directors present at any meeting for which a quorum is present shall be the act of the Board of Directors.

ARTICLE IV

COMMITTEES

The Board may, by resolution ~~(s) or resolutions~~ adopted by a majority ~~of the Board~~ ~~vote~~, establish one or more committees, each committee consisting of up to two of the Directors of the Corporation. Consideration and action on approving the Performance Agreement for Project Ironwood.

Sean Stevens, Senior Director, BRE, Copperas Cove EDC

Description/Information:

The Copperas Cove Economic Development Corporation has negotiated a Performance Agreement with Tractor Supply Co. of Texas, LP, together with the City of Copperas Cove, for the development of a new Tractor Supply retail store on approximately 6.3 acres located at 917 W Business 190, Copperas Cove, Texas. This project is known as Project Ironwood.

Under the terms of this agreement, Tractor Supply will invest a minimum capital investment of \$4,000,000 in capital improvements and create and maintain at least three (3) full-time jobs and two (2) part-time jobs during the term of the agreement. In return, CCEDC will provide a Development Grant totaling \$70,250 to support the construction of wastewater construction, which will be extended to serve adjacent properties. The grant will be disbursed in two equal installments over the first two years of the store's operations, contingent on meeting capital investment and job creation benchmarks.

This project aligns with CCEDC's strategic plan and the attraction of the targeted industry sector, Retail Destinations. The agreement includes standard clawback provisions to protect public investment if performance requirements are not met. The construction of the wastewater infrastructure also allows for future development on surrounding parcels.

Financial Impact:

The Development Grant of \$70,250 will be paid in two equal installments: \$35,125 on or after February 1, 2026, and \$35,125 on or after February 1, 2027, provided performance milestones are achieved.

Action/Recommendation:

The CCEDC Staff recommends the Board of Directors approve the Performance Agreement for Project Ironwood

Subject:

Consideration and action on approving the Professional Service Agreement with Clark Engineering to design drainage improvements for stormwater management across the EDC property adjacent to Constitution Court Apartments. **Fred Welch, Executive Director, Copperas Cove EDC.**

Description/Information:

The stormwater outfall coming from Mueller Drive runs across a narrow strip of land owned by the EDC before it falls into the drainage and retention system maintained by either the City or Constitution Court Apartments. The land is uneven, and water backs up into residential properties abutting the opposite side between Mueller and the outfall to the drainage at Constitution Court Apartments.

The intent is to study the drainage outfall, develop plans for an appropriate drainage channel, which can then be conveyed to the City for maintenance, and ease the ponding that is now taking place on the EDC property by recommending certain cuts to the slope that will allow water to flow towards the current drainage.

This has been an ongoing concern for several years and just cutting the grass has not solved the water ponding onto residential properties. This would be the first step in development of a master plan to coordinate the stormwater runoff from above the property.

Financial Impact:

Topo Work	\$14,750.00
Design Services	\$20,850.00
Project Bidding	\$ 4,000.00
Total Impact	\$ 39,600.00

Action/Recommendation:

Good morning,

Attached is the monument sign design proposal for Copperas Cove EDC. We truly appreciate the opportunity to collaborate with you on this project.

We've developed two signage options that will complement your branding and elevate the visual impact of the existing monument structure. Both options feature a custom fabricated sign tray with a 3" return that wraps cleanly around the faces and side of the monument, offering a polished, integrated look.

Option 1: Flat Cut-Out Aluminum Letters

This option features flat cut-out white aluminum letters flush-mounted to the surface of the black sign tray. While not internally illuminated, this option provides sharp contrast, high legibility, and a professional appearance.

Option 2: Illuminated Acrylic Push-Through Letters

This premium signage solution features dimensional white acrylic letters pushed through a routed black aluminum face. The letters extend slightly beyond the surface and are internally illuminated with white LEDs, creating a crisp, professional glow. This design enhances visibility, and projects a high-end image.

I've included a photo of a previously manufactured acrylic push-through sign to help you visualize the look and finish of Option 2.

You will receive two separate emails with quotes for each of these design proposals. These emails will be sent from our software platform; if you do not receive them, they may have been routed to your junk folder.

Next Steps:

1. Review the attached proposal and provide any feedback. We're happy to make revisions. Both options utilize the existing monument structure. If you would like to explore options of a demolition and rebuild of new monument signs, we can also do that.
2. Once the design is chosen, submit a 50% deposit to initiate the next phase.
3. Sign Craftsmen will begin the permitting process with the city.

Don't hesitate to reach out with questions—we look forward to moving ahead!

Best regards,

Heather Barrett

Consideration and action regarding the appointment of Sean Stevens, Senior Director of Business Retention and Expansion, to the position of Assistant Executive Director.

Fred Welch, Executive Director, Copperas Cove EDC

Description/Information:

In accordance with Section 13 of the CCEDC Bylaw, the Board of Directors may appoint an individual to the position of Assistant Executive Director. The role is intended to provide continuity of leadership and administrative support to the Executive Director and to serve as acting director in the event of the Executive Director's absence, disability, resignation, retirement, or termination.

If the Executive Director position becomes vacant, the Assistant Executive Director may serve in an interim capacity; however, the Board of Directors retains the authority to determine whether to appoint the Assistant Executive Director to the permanent position or conduct a search for new leadership, as outlined in Section 12 of the Bylaws.

Should the Board approve the action, Mr. Stevens would also be designated as an authorized signatory per Section 7 of the Bylaws and would fulfill the responsibilities and duties of the Assistant Executive Director as outlined in Section 13.

Financial Impact:

There is no immediate fiscal impact associated with the appointment.

Action/Recommendation:

The CCEDC Staff recommends the Board of Directors approve the appointment of Sean Stevens to the position of Assistant Executive Director.
